Attn: Honorable Judge Robert D. Drain

Ref: Delphi Corp Case # 05-44481 filed October 8, 2005
Document # 14705 to Cancel OPEB (Health Insurance Benefits) for all Retirees

Dear Judge Drain:

This letter is to express my great concerns with Document #14705 filed by Delphi Corporation on February 4, 2009 asking the court to cancel health insurance benefits (OPEB) for over 15,000 people who are retirees of Delphi Corporation.

Please note that this letter is an OBJECTION to that document and file it as a motion to object to document #14705.

This document was filed with no warning to current employees and retirees of Delphi Corporation and was only made known to us via letter which I received on February 9, 2009 and gave me a mere eight days to file objections.

Many retirees of Delphi were forced to retired **BY** the company and **NOT** by the choice of the employee. They were given no decision to make, just told they would be retiring on a specific date. There was little time to prepare for retirement, and to adjust to a reduced income before they were hit with this latest development (loss of health care).

I assure you here are ways to restructure the company and still retain health care for retirees.

All of the 15,000 + retirees and soon-to-retire, who will be negatively impacted by this action, will be looking to you for your consideration when making the decision concerning Document #14705 dated February 4, 2009.

I respectfully request that you REJECT and postpone this motion.

Sincerely,

John C. Assell
